TOP 64M/32W WORLD RANKING VERIFIED PROFESSIONAL PLAYER ACHIEVEMENT (- Verified PPA)

INSTRUCTOR NOMINATION

Verified Professional Player Achievement is a recognition that during the Professional's career a WPA World Ranking of Top 64 Men and Top 32 Women at any period was achieved. The World Ranking Players can match the level of knowledge and execution required to train, develop and implement a full time Accredited PBIA Billiard Academy Program.

The PBIA Instructor Committee will review each nomination and accompanying documents to confirm the candidate's certification at the appropriate level and add the Verified PPA after the Instructor Designation.

This application must be completed in full and returned to the PBIA Chairman with your current photo. You will get a \$150 email invoice sent to the email listed in this application to process your certification and dues for the first year. This Verified Professional Player Achievement addition authorizes the instructor to provide upgrade certification courses to Recognized and Certified Instructors with authority to upgrade certifications.
